The screenshot shows the DECK LOG website interface. At the top left is the logo for DECK LOG, Bushiroad Fighters Navigator. At the top right is a search bar with the text "Enter deck code" and a "Search" button. The main content area displays the message "Deck has been created" in a large font. Below this, the text "Deck Code: E8TH" is shown, with a red box highlighting it and a "Copy deck code" button to its right. A red line points from the Chinese text below to the deck code. Below the deck code is a "Confirm deck" link. A large blue button with the text "Share your deck!" is centered below the code. Underneath the button are social media icons for Twitter and Facebook. At the bottom of the page, there is a footer with a copyright symbol, "Terms of usage", "Cookie Policy", and "©bushiroad All Rights Reserved."
